

Sugar Skull

1 Inch
Test
Square

Instructions:

1. Cut out all pattern pieces from felt or fabric.
2. Put thin fabric on the hoop and lay one of the skulls on the fabric. Also place the eyes, mouth, forehead and nose.
3. Using a running stitch, sew the forehead, eyes, nose & mouth to the skull on the hoop. You'll be sewing through the fabric AND the skull.
4. Take the fabric off the hoop. Cut the fabric away around the skull.
5. Sew the second skull to the back of the skull with the face on it. Before you close it, put a handful of stuffing inside.
