## Instructions:

1. Cut out all pattern pieces from felt or fabric.
2. Put thin fabric on the hoop and lay one of the head pieces on the fabric. Also place the snout, nose, mid-head & markings.
3. Using a running stitch, sew the snout, nose, mid-head & markings to the head on the hoop fabric.
4. Place the outer & inner ears on the deer face.

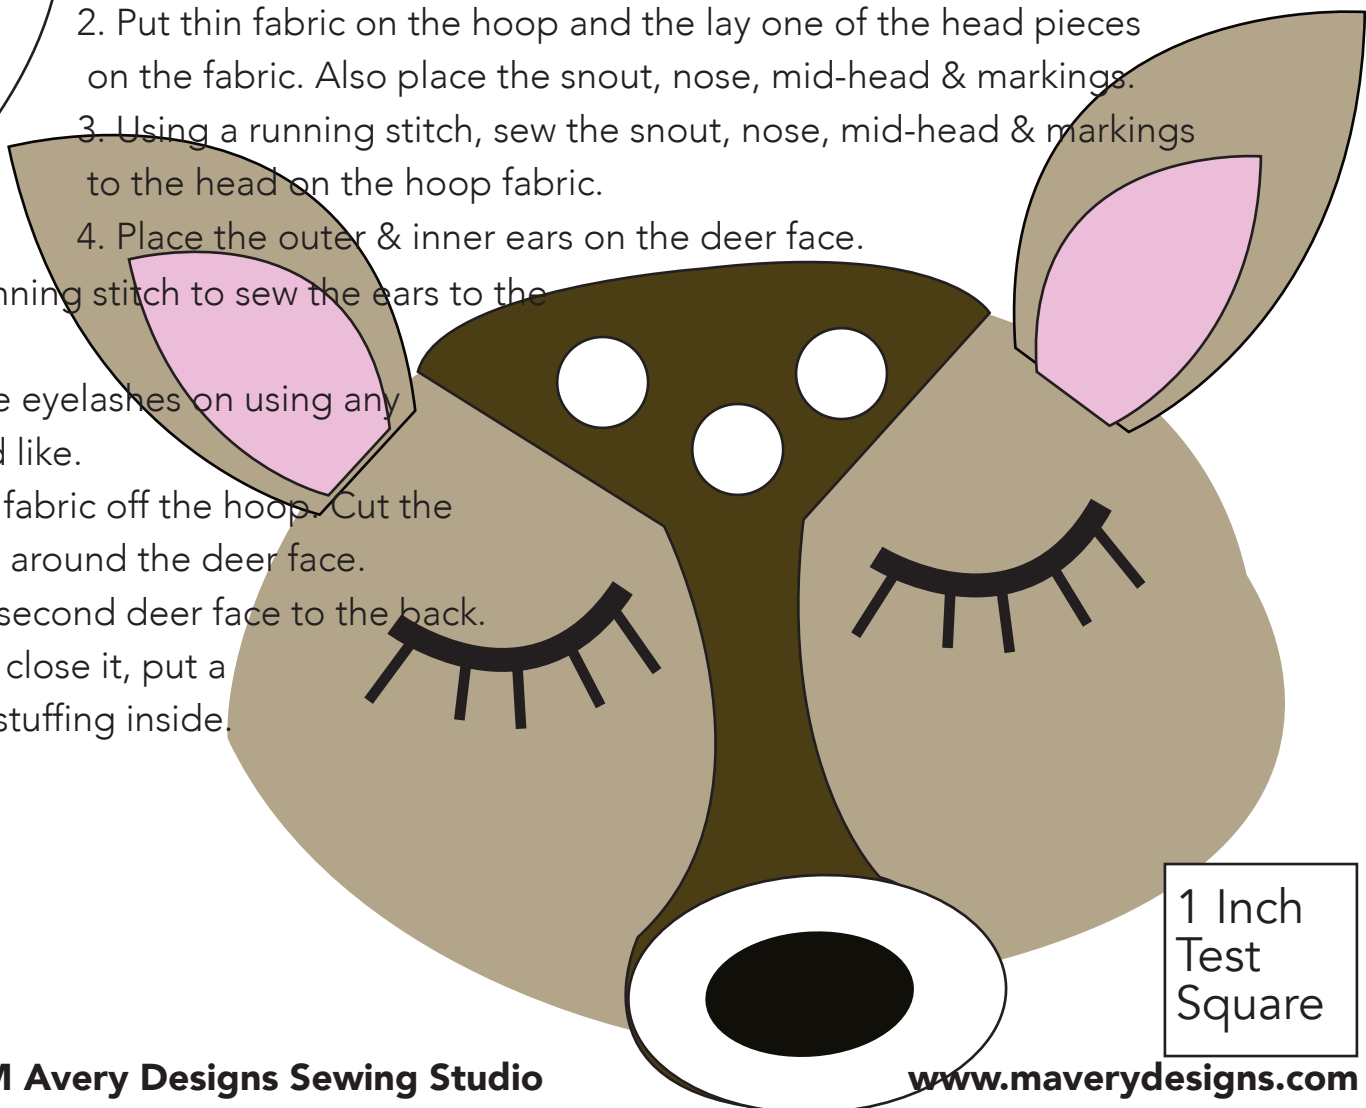

5. Use a running stitch to sew the ears to the fabric.

4. Stitch the eyelashes on using any stitch you'd like.

5. Take the fabric off the hoop. Cut the fabric away around the deer face.

5. Sew the second deer face to the back.

Before you close it, put a handful of stuffing inside.
